

Program/Camp Aides Lend Helping Hand and Earn Service and Leadership Hours!

In addition to adult volunteers, some day camps are in need of Cadette, Senior, and Ambassador Girl Scout Program Aides. This position offers older Girl Scouts a leadership role at day camp, which may include assisting with badge work, crafts, games, advanced skills, or overnight camping. Check individual camp listing for more details.

Program aides must be registered Girl Scouts entering the seventh grade in the fall of 2010 or older and have completed Program Aide

training. They should also have prior day camp experience and a desire to work with children. Girls entering the sixth grade in the fall may participate as a Camp Aide at some camps, which prepares girls for the program aide position. They will have an opportunity to shadow program aides in addition to the day's scheduled activities.

Camp/Program Aide Application

Detach and mail this form along with your Registration Form, Permission slip, Authorization to Release Form (HIPAA) and Medical Information/Insurance Form to the registrar of the camp you selected.

Please help! Volunteers needed:

Day camps are planned and staffed by caring adults – parents, leaders, grandparents, and friends – willing to volunteer their time and energy to provide enriching programs for young girls. Many volunteers enjoy day camp as an opportunity to spend quality time with their girls away from the hustle and bustle of everyday life. Some day camps also provide units for younger children of staff volunteers.

Adults interested in volunteering any amount of time should complete the Volunteer Application (F-39) which can be found on the Council's Web site, the Adult Volunteer Interest form below and submit it to the appropriate camp registrar. Adults working with campers must be registered with GSUSA, have a criminal background check on file, and complete the Child Abuse Protection test. The day camp director provides training of all day camp staff.
