

## Forever Green: Girl Scouts Green Our Schools

### Apply to Be a *Green Troop*!

#### What does this mean?

- GSSJC is part of a nationwide project to inspire girls to help “green” their schools. We are looking for troops in all areas and from all levels to develop projects in their own schools and communities.

#### What kind of projects?

- Each Troop will decide. The projects should involve at least one of the following areas:
  - Air Quality
  - Waste Management
  - Water
  - Energy
  - Green Space

In addition, each project should have the involvement of former Girl Scouts as well as other students.

#### What kind of help will you receive?

- You may request tools, resources and funding, if necessary, from the council

#### How can a troop apply?

- Complete the application. Email, mail or fax back to Council by the deadline of January 12.

#### What will the girls get out of this project?

- Girls will have leadership opportunities and a chance to be at the forefront of a new Girl Scout initiative. In addition, each participant will receive a patch and other tokens of recognition. All troops will be invited to a celebration at the Program Place in May 2009.

## Green Troop Application

Troop # \_\_\_\_\_

Leader's name \_\_\_\_\_

Address \_\_\_\_\_

Phone \_\_\_\_\_

Email address \_\_\_\_\_

Girl Scout level \_\_\_\_\_ # of girls \_\_\_\_\_
