

# Program Aide Trainings

**The First Step** in becoming a program aide is for Girl Scouts in grades 7-12 to register, attend, and complete Program Aide Core training (6 hours). This develops basic leadership skills for working with younger girls. Trained volunteers and staff through the Council Program Department offer this training regularly or check out the Program Aide Core Training Resource Kit and offer training to troops/groups in a local setting.

**The Second Step** is to register, attend and complete a Program Aide Specialty Training (4 hours) to gain expertise in different fields of interest. A girl may complete more than one specialty training. Select an area to share your skills as a volunteer, either in a troop/group setting or a service unit, council event or council interest group. With the help of a troop leader and service unit manager, secure a mentor/adult volunteer supervisor. At this step girls may now purchase and wear the Program Aide Pin.

**The Third Step** is to volunteer directly with a troop/group or GSSJC interest group (i.e. Green Starlettes, SPURS, Puppetry Troupe, etc.) Work with Daisy-Juniors; or become involved in special events for 25 hours to enhance your leadership skills while earning the GSUSA Program Aide Patch. At this step girls may now purchase and wear Program Aide Patch.
