

Where in the World are Girl Scouts?

Each year on February 22, girls participate in activities, games and projects with global themes to honor their sister Girl Guides and Girl Scouts in other countries.

Troops from Area 1 and 2 will be hosting tables to represent the five regions of World Association of Girl Guides and Girl Scouts (WAGGS):

From the Africa Region, **Kenya**

From the Arab Region, **Jordan**

From the Asia-Pacific Region, **Fiji**

From the Europe Region, **Ireland**

From the Western Hemisphere Region, **Costa Rica**

Girls will learn about each of these countries and their Girl Scout/Girl Guide organizations, learn international games and songs from each of these regions and pull it all together with their passport craft which will be personalized their own picture. Special sharing time will be devoted to swapping. International Girl Scout ceremonies will be used for the openings and closings.
