

World Travel 101

If you're expecting to take an independent trip or troop trip abroad in the near future, then you don't want to miss this! We have travel tips designed especially for you, travelers who are planning their first trip out of the USA. The focus will be on how to travel safely and responsibly on a shoestring budget, manage money, packing tips, documents, safety concerns, health issues, and cultural awareness to enjoy responsible travel.
